THE RISING - JUMPING AND FLOATING CIGARETTE

A clever, fool-proof device that fits inside any pack of cigarettes and will cause a cigarette to rise slowly, sink back again, then jump several feet into the air! No springs or threads used. Try this on the "moscher" who is always asking for a cigarette — but first make sure he hasn't a weak heart! With this trick, we include instructions for "floating" a cigarette in mid-air. Remember, any brand of cigarettes may be used and no skill is required.

ITEM # 9182

The Heroic FROG

BASSO FROG was idly dozing on a lily pad when the sound of the frog's chorus came to him. Instantly, he was wide awake! The chorus was getting ready for the concert they would give at the picnic, and more than anything else, Basso wanted to sing in the chorus. Of course, he knew that his croaking was a little out of tune and much too loud...but he couldn't help it if he had a strong voice!

His strong legs carried him to the large log in the pond where the chorus was rehearsing. Old Jonas Frog stopped the chorus when he saw Basso.

"What do you mean by interrupting us in the middle of rehearsal?" Jonas barked.

"Excuse me, sir," Basso answered timidly. "But I would like to join your chorus!"

When the other frogs heard this, they began to howl and sputter so much that several of them fell into the water. At first, Old Jonas stared in surprise at this strange request, then he, too, began to laugh. Little Georgie Tadpole said that was the first time he ever saw Old Jonas laugh!

"You want to join our chorus? Ha-ha-ha!" cackled Jonas.

"Please, sir, give me a chance!" Basso begged.

"All right!" Jonas said. "You can sing the next chorus! I'll listen to your voice."

He tapped his little wooden stick on the tree trunk. Basso threw his head back and his big voice boomed out like a fog horn!

"Stop...stop!" shouted Jonas.

"It's terrible! I never heard such a loud, unpleasant voice!"

Molly Frog came to the surface of the pond and was very indignant. "Who is making that racket? My baby woke up and was frightened!" she snapped.

Basso leaped into the water and sadly swam to the other end of the pond where he could be alone. He could still hear the rest of the chorus laughing at him. He hid himself behind a large rock...when a shadow on the shore caught his eye! It was the weasel who had eaten so many of the frog family last month! He was back again for more frogs! Basso could see him watching the chorus, who were unaware of his presence as they were too busy singing. He had to warn them...but he was on the other side of the pond! As the weasel crouched, getting ready to spring, Basso threw his head back again and shouted.

"Look out for the weasel!" His voice thundered across the pond.

Instantly, the frogs dived into the water. Just then, the weasel leaped. But he was too late! The chorus was saved!

After the weasel left, the chorus came calling on Basso. They were all very humble.

"You saved our lives," Old Jonas said, "and we want to make you an honorary member of our chorus! Your voice is the most practical one of all!"

Basso felt a nice glow inside as he joined the others when they continued their rehearsal! He had found a place for himself!

The WISDOM of BUBBY BEAVER

"LOOK, fellas!" yelled Sammy Squirrel to all the other little animals. "Bubby Beaver is wasting a beautiful summer day building a dam!"

This started a general laugh at poor Bubby's expense, because, after all, what use was a silly old dam—when there was *playing* to do? But Bubby just ignored them, although he began to feel very angry. He concentrated on finishing his dam, although he, too, would have liked to play, because beavers *are* like that. On and on he worked, although he would very much have liked to romp with the little animals that jeered at him so. It was days later that his job was finished—and as he dozed within the cozy little dam, suddenly there came a wild pounding on his door. "*Help! Fire! Open up!*" These were the shouts he heard. Throwing open the door, he saw all the animals huddled outside—and the reason became immediately clear. Rushing towards them was a raging forest fire which was com-

ing closer and threatening to burn all their homes down! "*A forest fire!*" Bubby shouted. "*Hurry—jump into the pond!*"

"We can't swim!" Sammy Squirrel bleated. "We'll be killed!" And some of the little girl animals were beginning to cry when Bubby suddenly had an idea. "*Help me break through my dam!*" he yelled. "*The water will roll towards the fire and put it out! Quick!*"

Everybody sprang to help Bubby, and in a few seconds, the dam was breached. The water rushed towards the oncoming fire and the two met with an awful hissing. The flames sputtered—and died! "*The fire is out! Hurray! Our homes are saved!*" shouted the animals.

They all crowded around Bubby and thanked him for saving their lives and homes. And you can be sure they regretted teasing him about his dam! Because the next day, when Bubby started to build another dam, every last one of them turned out to help him!
